

## **Film Show in the American Corner Sylhet**

American Corner Sylhet organized an orientation and feature film show on December 18, 2006 for the corner members, teachers, students and local public. Information Resource Center Associate for outreach Mirza Hasan conducted this program during his visit to the Corner. Hasan spoke about the newly introduced film show program which will be occasionally held in the three American Corners in Bangladesh from now on as an educational and cultural event. Later an American feature film was shown to the audience. Fifty participants enjoyed and highly appreciated the movie and they requested more film shows in the Sylhet American Corner.
